"Earth's Greatest Enemy" is an important, new documentary by U.S. journalist and host of the Empire Files Abby Martin about the climate and environmental destruction of the American war machine. After the film screening, there will be brief remarks by Dr. Tamara Lorincz about the adverse impacts of the Canadian military and the women's campaign to cut military spending for a green, peace care economy.

Film screening held to mark the United Nations' International Day of Peace and for the **#1000WOMEN** campaign for a **#CAREECONOMY**
